2020 Refund Policy

Generally speaking, WSO does not issue refunds when you are unable to compete in events you signed up in. This year, we understand that there are many factors that reach beyond anyone's control. In the event the WSO cancels an event, fees associated with that event along with your general registration fee, if applicable, can be donated to the WSO, to help defray the costs associated with planning the 2020 season, or you may choose to have them credited to your account for use in the 2021 season, minus the appropriate fees associated with partners.

Wisconsin Senior Olympics partners with FuseSport for our athlete registration system in addition to Braintree, a PayPal affiliate, to register, collect and process athlete registrations. A portion of your registration covers the cost associated with these partnerships. Fees also support a portion of the cost of conducting the games, including medals, supplies, printing costs and independent contractors. Facility fees cover the costs of the sport including the venue and officials associated with that specific sport. Athletes have the option to register on our website or by mailing in a paper form. Both forms incur processing fees that are non-refundable.

INFORMATION FOR REGISTRANTS

ATHLETES 40 YEARS and OLDER MAY PARTICIPATE IN THE WISCONSIN SENIOR OLYMPICS

Photo ID with Birthdate may be requested

There will be two registration closing dates, August 7th and August 24th, the closing date for each sport is shown at the end of each sport information section

ELIGIBILITY: Men and Women who will be age 40 years and older as of Dec. 31, 2020. As the division is computer calculated based on the birth date, all participants must provide their birth date when registering for the Wisconsin Senior Olympics.

AGE GROUPS: Age groupings for events are in five year increments (e.g., 40-44, 45-49, 50-54, 55-59 etc.). Events will be conducted in these age groups where there is sufficient participation or age groups may be combined. You must compete in your proper age division, except in doubles and team events where you must compete in the age group of the youngest participant on your team.

OUT OF STATE PARTICIPANTS: WSO does accept out-of-state athletes and teams, however, an out-of-state athlete will not take away a medal spot from a Wisconsin athlete. This means there could be two winners for a medal. (i.e., one gold for the top Wisconsin athlete and one gold for the out-of-state athlete who finished ahead of the Wisconsin athlete.)

MEDALS: You must pick up medals the day of the event, if you leave early. **Medals will not be mailed.** You may pick them up at our offices with prior arrangements.

T-SHIRTS: T-shirts are not included with the registration fee. T-shirts are available starting at \$12, if ordered.

TEAM INFORMATION: Team roster must be submitted to the office by team captain by August 24. In order to qualify as a Wisconsin Team, the team must have more than 50% of the registered players reside in Wisconsin. Team clothing should be of like design and color with numbers on the front and back of the shirt.

QUALIFICATION: The National Senior Games Association (NSGA) runs the National Senior Games every other year in different cities throughout the United States. Athletes qualify to compete in the NSGA games during a qualifying year, which is defined as the year prior to the NSGA game. This year, the NSGA has an adjusted qualifying process for 2021 games. For additional information regarding this one time adjusted process, go to the NSGA website at www.nsga.com Athletes in the 2020 Wisconsin Senior Games may qualify for the 2021 Nationals in Greater Fort Lauderdale, Florida. The rules for qualification are on the NSGA website. NSGA has not added age brackets 40-44 and 45 to 49. Until they do so, athletes 40 years to 49 years will not be able to qualify for the National games.

ONLINE REGISTRATION: Wisconsin Senior Olympics partners with FuseSport for our online registration system. You can find the registration on our website www.wiseniorolympics.com. Athletes may still use the paper form, however, there is a \$8 paper registration fee to do so.

POSTING OF RESULTS: Results are manually entered into the FuseSport online system. With this system, results are easily transmitted to the National Senior Games for qualification purposes. We ask that you let us know about errors or omissions that need to be corrected. Please email Yvonne Lewandowski at yvonne@wiseniorolympics.com.

REGISTRATION FEE includes participation in up to four sports. Fees also support a portion of the cost of conducting the games including medals, supplies, printing costs and independent contractors. Facility fees cover the costs of the sport including the venue and officials associated with that specific sport.
